

Computer Use Policy

Swarthmore Public Library provides computers for public use.

Users must:

- Sign in with their Delaware County Library card information. If user does not have a Delaware County Library card, a guest pass will be issued at the discretion of library staff;
- Agree to refrain from inappropriate or illegal use of computer, and
- Follow the [Delaware County Electronic Information Network Policy](#).

Additionally,

- Users are limited to two hours (120 minutes) of computer time per day.
- Computers are available from the library's opening time to 10 minutes before closing time each day.
